5th January 2020

Dear Parents and Carers,

School Places for Vulnerable children and Children of Critical Workers

Thank you for your patience at this time as we work quickly to organise the provision within school to vulnerable children and children of critical workers.

In order to keep children and staff in school as safe as possible, we have a limited number of spaces we can offer within school. Due to this and the high demand for spaces from parents within school we have had to prioritise vulnerable families in the first instance, then families with two parents as critical workers and single parent families who are critical workers.

We may then be able to offer spaces to families with one critical worker parent if space allows.

When children are in school they will be accessing a mixture of live sessions and recorded lessons via Teams on technology within school so that the provision children at home access is exactly the same as that provided within school.

You will be sent an email invite before 3:30 pm, if you have been offered a place for your child in school. This invite will detail the start time and entrance for your child's bubble. Please respond to this email acknowledging that you are accepting your child's place and attach evidence of your critical worker role (Payslip, professional ID badge or letter from your employer) if you have not already provided this in previous lockdowns.

Thank you for your continued support during these challenging times.

Kind regards,

A handwritten signature in black ink that reads "K Lea".

Miss K. Lea

Headteacher
