Dear Parents and Carers,

DEVICE SURVEY

As you are aware, our school is currently running on a 'bubble' system in order to protect the children of Ackton Pastures. In the event of us closing a bubble, children will access home learning. We are collecting information about devices and internet access to inform the support we offer to families and children. This information will ensure that we can cater for all children and ensure they receive the highest quality of education.

Please complete the short survey attached and return by Monday 5th October.

As always, your support is greatly appreciated.

Yours faithfully,

Miss Lea

Acting Headteacher
